

INTELLIGENT, INNOVATIVE ENERGY SOLUTIONS

A LEADING ENERGY SOLUTIONS PROVIDER

A fast-growing, private, wholly indigenous value added energy service provider in Nigeria.

A client-oriented energy outfit with a drive for undertaking quality service and projects in Oil and Gas, Civil Engineering, Solid Minerals and Environmental Protection in a thoroughly technical and professional manner.

Our Vision

- To consistently provide value-added products and services in the energy sector using global best practices

Our Mission

- To be the foremost, innovative and intelligent solution provider in the energy industry.

Principles

- Efficiency, Professionalism, Innovation

WHAT WE DO – HEAVY DUTY EQUIPMENT

- We supply, install, repair and maintain heavy duty oilfield equipment such as:
 - Power generators (up to 30MW)
 - Onshore/offshore drilling rigs
 - Pipes, compressors, pumps
 - Motorized valves and electrical motors
- We provide options for outright purchase as well as operating and finance leases, with flexible terms that suit your cashflow situation.

WHAT WE DO – MECHANICAL PARTS & SPARES

- **CRÈME ENERGY** is partner to some world class Original Equipment Manufacturers (OEMs) of energy sector equipment and spare parts.
- This enables us to respond swiftly to your orders.
- Our product range includes Valves and Accessories, Pipes, Tubes, Hoses, Fittings, etc.

WHAT WE DO – CHEMICALS, COATINGS, LUBRICANTS & FUELS

- **CRÈME ENERGY** is a registered marketer and supplier of **AGO, PMS, DPK, chemicals, paints and lubricants** to retail outlets and corporate consumers.
- We currently service several networks of bank branches, telecommunications cell sites, fast food outlets, manufacturers and other clients in Lagos, Southwest, South-South and Southeast zones.
- With us you are assured of:
 - Optimized product availability
 - Certified product quality
 - Guaranteed timely delivery
 - 24-hour support
 - Comprehensive In-transit Tracking

WHAT WE DO – ASSET TRACKING SOLUTIONS

- **CRÈME ENERGY** provides e-tagging and asset tracking solutions to various business sectors in Nigeria, including energy, financial services, manufacturing, equipment leasing and haulage.
- Our Premium Partner relationship with **Omni_ID** of USA (www.omni-id.com) enables us provide world-class **e-Paper** and **RFID-based** end-to-end, tracking and in-process visibility to the individual asset level.
